Dear Parent/Carer,

### S4-S6 Preliminary Examinations

On Tuesday our senior phase diet of preliminary examinations begin for many of our students in years S4 through to S6. This will mean that pupils who are being presented for two or more National 5 qualifications will not follow their normal class timetables, being present instead for their examinations, as per their prelim timetable. Pupils who are being presented for fewer than two National 5 qualifications, and have a majority of presentations at National 4, should continue to work on materials provided in the Google Classroom. They can access these in school or at home. These pupils will have permission to use the day prior to their National 5 examination as a study day but should continue to use the rest of the exam period to undertake National 4 work on Google Classroom or, if invited to do so, at appropriate times within departments.

All pupils are reminded that if they are attending school that they should attend in full school uniform or will be asked to return home to change.

For those students who elect to come to school and who wish to work on their National 4 courses, they should go to the Octagon at 8.45am on Tuesday 7<sup>th</sup> December where they will be provided with a location to work.

Yours faithfully,

**Colin MacLeod**
